Celebrating 75 Years!

E-Messen

75 years ago, a young Methodist minister by the name of John Lewis began a tremendous undertaking here in the mountains of Eastern Kentucky. Rev. Lewis saw the needs of the people, and with God's inspiration and message, founded the Methodist Mountain Mission. Join us this year, 2018, as we celebrate our 75th anniversary of God's Mission in the Mountains!

The Mission is able to do all these wonderful things for the community

because of organizations, churches, and people like YOU. As you may know, our trucks are one of the most important pieces of our puzzle. Without them, we would have no way of picking up the many

cost of operating these vehicles.

money to buy a new truck, to maintain the other trucks, and various other costs the they incur (fuel, insurance.) For all the talk about how important the trucks are to the Mission, our

For our 75th anniversary, we have set a goal of \$75,000. We will use this

donations and transporting them to our stores. Unfortunately, as with all worldly things, the trucks need repaired/replaced all too often. Add the rising cost of gasoline, and it becomes quickly apparent the staggering

most important puzzle piece is YOU. Without YOU, none of this would be possible. So, I encourage you to join us and help us to reach this vitally important goal so we can continue to do God's Work in the Mountains!
